Dear Sir or Madam

**NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS
A38 (RIPLEY TO LITTLE EATON ROUNDABOUT)**

Following on from my previous correspondence, I am writing to update you regarding the above scheme. Works are progressing well, however, we have experienced a few delays which means the revised scheduled completion date is now the **04th August 2020**.

As previously mentioned, to re-construct part of the A38 southbound Coxbench exit slip, we will require the slip road to be closed 24/7 over a weekend period. This was initially planned for early May but is now scheduled to take place from 8pm **Friday 5 June** until 6am **Monday 8 June**.

We will put in place fully signed diversion route during this closure, which has been agreed with the Local Authorities.
